

17 June 1964

MEMORANDUM FOR: Office of Logistics

SUBJECT: S. 1833

This is to inform you that S. 1833 has passed both the Senate and the House of Representatives. In passing the House of Representatives on 15 June 1964, the bill was amended. The amendment provided that rental payments deducted from the salaries of or paid by employees may remain in the applicable appropriation or fund if the payment is made in the prescribed manner. This represents a substantial step forward in meeting the cost of government housing without depleting the balance of the Agency's budget. The bill will now go to conference to resolve differences between the Senate and House versions as brought about by this amendment. Attached to this memorandum is a copy of the hearing before the Post Office and Civil Service Committee of the House of Representatives. A copy of the Committee amendment may be found on page 3 thereof.
